

Upload Instructions for BLUEPRINT Video Submissions

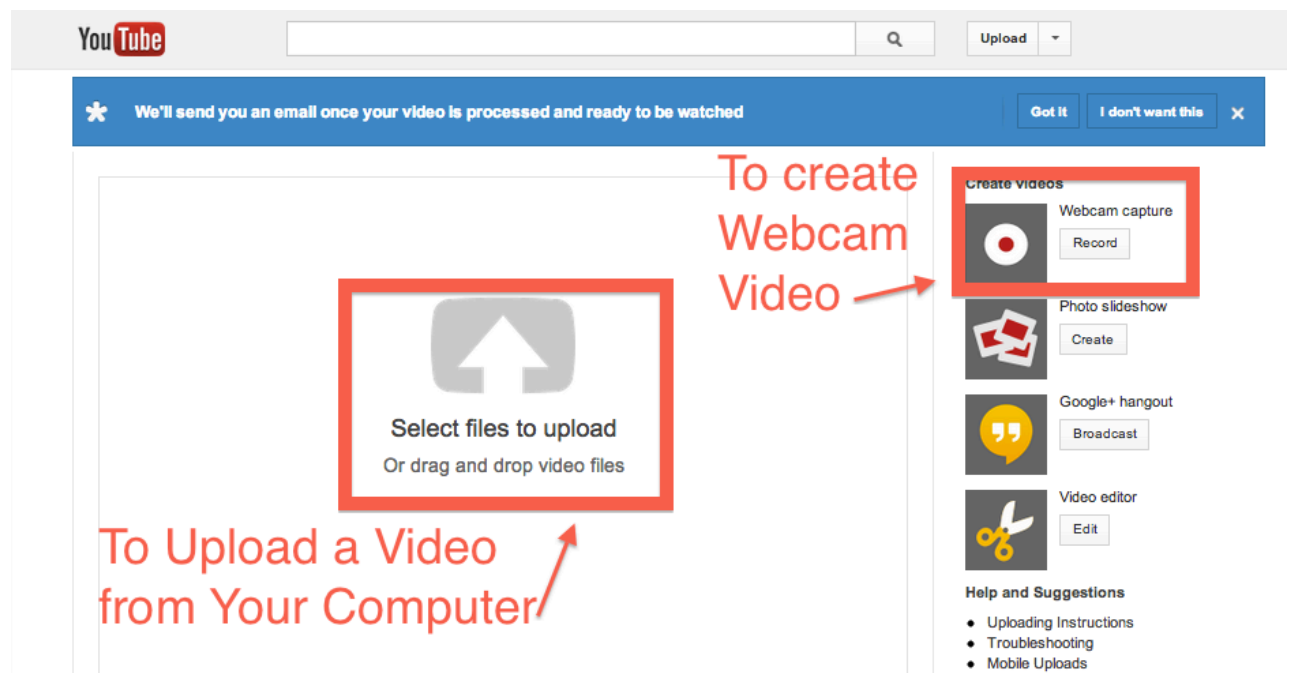

1. Go to www.YouTube.com.
2. Sign in with:
User: BlueprintVideoProject
Password: videologin

If you are already logged into a Google/Gmail account, sign out and then sign in with new username and password.

3. To the right of the search field at the top of the page, there is a button that reads "Upload". Click it.

4. Either select a file from your computer to upload -OR- under the 'Create Videos' column of options, click 'Webcam Capture'.

5. Once the video has begun uploading, enter in the following information:

A. In the 'Title' field, enter your first and last name.

B. In the 'Description' field, enter your email address and phone number*.

**Note: These videos will be private and we will not share your video or your contact information with anybody.*

6. Next, to the right of the Title and Description field there is a section that reads 'Privacy Settings' - click 'Private' in the drop menu. *This is important as it is how we can ensure your video and information is not shared with anyone.*

7. Click 'Save' in lower right hand corner and wait until the video has been fully uploaded and processed before closing your browser window and/or signing out of the BlueprintVideoProject Google account.

The screenshot shows the YouTube video upload page. At the top, there is a search bar and an 'Upload' button. Below that, a blue notification bar says 'We'll send you an email once your video is processed and ready to be watched' with 'Got it' and 'I don't want this' buttons. The main area is titled 'Uploading 1 video' and shows a progress bar at 0% with a 'Cancel' button. The 'Basic Info' tab is active, showing a 'Title' field, a 'Description' field, and a 'Privacy Settings' dropdown menu set to 'Public'. A 'Share on Google+' notification is also visible. At the bottom right, a red box highlights a confirmation message: 'All changes saved.' with a 'Saved' button. The 'Category' dropdown is set to 'People & Blogs'.
